

ST. MARY'S PARK IMPROVEMENT CLUB

MEETING TIME: TUESDAY EVENING, APRIL 14, 1981 AT 7:30 P.M.
ST. MARY'S PARK RECREATION CENTER

Hi, Neighbor:

Here's the minutes of the meeting held on March 10, 1981:

Meeting called to order at 7:30 pm by President George Aherne
Roll Call of Officers: Absentees noted.
Minutes of the last meeting were read and approved.

TREASURER'S REPORT: The treasurer read a complete report of all expenditures made during the year of 1980. The report was accepted by the Board and members.

DUES COLLECTION: Last year, dues were collected from 229 homes in the Park. This year, we have collected from only 210 homes. If you haven't yet paid your dues, please send them to Ray Holmer, 39 Justin Drive or drop them in Ray's mail box. The cost of maintaining the lawns and trees in the Park has skyrocketed, just like everything else.

OLD BUSINESS: The question of a proposed zoning change at 3901-11 Mission Street was investigated and the club does not deem it necessary to take any action on this matter.

TREES: The split tree on Benton Street has been removed and replaced with a new tree. Some of the residents on Benton Street have suggested that we plant more trees in this island. More trees may prove hazardous to the underground irrigation system. Also, a lot of foliage provides hiding places for trouble-makers. Please reconsider this request. More about this at a later date.

The palm trees on lower Justin Dr. badly need trimming and estimates are being sought by your club. Many thanks to Guido Guinasso and Ray Holmer for the excellent job of cleaning the branches and debris from the island on Benton St.

GATE ON CRESCENT AVE: The Park & Recreation Dept. were notified of the broken gate on Crescent Ave. and of the spaycan paint job performed on the house alongside the path. Park Recreation sent a crew out to repaint the vandalized home but have done nothing about the broken gate. We'll keep trying on this situation.

NEW BUSINESS: ----- The street sign at the corner of College and Justin was removed by some misguided youngsters. The proper city department was contacted by the Improvement Club and the sign has been replaced.

TRASH: The director in St. Mary's Park Recreation Center has complained that Park residents are dumping garbage in the area behind the gymnasium. This area is for Park Rec. use ONLY. This is not a public dump and should not be used as such.

RAFFLE: The \$5.00 prize was won by Marie Guinasso, a first-time winner. There were new faces present at this meeting and 34 people attended and had a great time.

Meeting adjourned at 8:30, followed by a fine St. Patrick's celebration.

Many thanks to George and Virginia for lending their house and for being such cordial hosts.

George Aherne, President
Ida Holmer, Secretary
